March 1st, 2010

Dear Friend,

The St. Francis House is excited to announce our plans to relocate and build a new, larger facility. We will be able to serve more of the homeless and needy of St. Johns County. To boost this effort, we are hosting our 7th Annual *A Nite at the Races* on April 24th, 2010.

A Nite at the Races is a dynamic participation event. The pre-recorded horse races are projected on the big screen and are called by our own professional race track announcer, Troy Blevins.

We are writing because we are in need of fun prize donations from local individuals and vendors for the winning horses. The food will be supplied by popular, local restaurants; however, we need gifts for door prizes, the silent auction, and race winners. This would be a great way to promote your business and products. We are kindly asking you for any donation that you can provide.

The cost of tickets for this event is \$20 per person, for which you will receive "funny money" to wager; and \$25 makes it easy to own and name your own horse and stable. For example my horse's name is *Samdali* (after my dogs) and I call my stable *The Dog House*.

The St. Francis House has been in the business of helping the homeless and less fortunate for over 25 years. Our services are up 75% compared to last year at this time. All the proceeds are going towards our new facility so we can continue and expand our mission. We can not do this alone.

Please consider helping us with your donation and call us at 829-8937 to let us know what gift (s) you wish to contribute and to arrange for drop-off to St. Francis House. Your kindness will not be forgotten. God bless you and yours.

Sincerely yours,

Renee' Morris
