This exciting evening will include actual thoroughbred races, viewed via DVD and projected on a big screen. A professional race announcer narrates each race by the horse's saddle number. The evening's program will list horse numbers and the names of entries in each race, as "chosen" by the owners.

- You can name and buy your own horse and stable for only \$25.00.
- Your horse and stable will appear in the Official Race Program.
- For only \$2 you can wager on the outcome of any race.
- If your horse wins, you win a prize (a gift certificate or merchandise.)

Bring your friends to cheer on your horse and turn your winnings into prizes at the end of the evening at the *Silent Auction*.

Admission to this event is \$20.00 which includes delectable food from local restaurants, great prizes, and \$20.00 in "funny money" for wagering. A cash bar will also be available.
